traveling westbound on Main Street downtown Kent. traffic was moving - I honestly don't remember if traffic light was about to change or not. I noticed a van coming up behind me in my driver's side mirror. He wasn't slowing down. I attempted to pull towards the right to avoid being hit. At that moment, I felt the hard impact. Once I ~~stopped~~ realized what had happened, he was at my door asking if I was okay. I'm not hurt persay, but my neck is warm and a little sore on the left side. He hit my Jeep and pushed me into a parked car. I overheard him tell his friend (who showed up in a second van) that he looked down for a moment.
