DESCRIBE HOW ACCIDENT OCCURRED				
<p>Owner of Unit 2 had his motorcycle parked in the back lot with a cover over it. He last checked on the bike on 9/28 around 1500 hrs. He got home tonight - 9/29 at 0320 hrs. and saw it wasn't in the position/spot it was left in. He uncovered the bike and found the exhaust had a dent/scratch on it. The left handle bar was scuffed up on the end. The left side plastic body was loose. He believed someone hit it or knocked it over then sat it back up. No suspects, no cameras in this part. Minor damage.</p>
